

AOMC 2022 ABSTRACT SUBMISSION GUIDELINE

ABSTRACT IMPORTANT DATE

Abstract submission will open on **February 15th 2022** until **April 14th 2022**
The notice of acceptance and further information will be sent to the corresponding author via email.

ABSTRACT TOPICS

Generally, abstract will be divided into:

- **E-poster**, categorized into case reports and research.
- **Clinicopathological conference (CPC)**. Selected cases are presented and discussed with a panel of experts in muscle disease, muscle pathology, and genetic. Presenters will provide clinical information, muscle imaging (if available), key features of muscle pathology, and genetic result (if available) as PPT presentation. The panels will give further comments.

The topics include:

For E-Poster

- Muscular dystrophy
- Congenital myopathy
- Metabolic myopathy
- Myofibrillar myopathy
- Acquired myopathy
- Motor neuron disease
- Peripheral neuropathy
- Neuromuscular junction

For Clinicopathologic Conference:

- Muscular dystrophy
- Congenital myopathy
- Metabolic myopathy
- Myofibrillar myopathy
- Acquired myopathy

AOMC 2022 ABSTRACT SUBMISSION GUIDELINE

ABSTRACT SUBMISSION FOR THE POSTER AND CLINICOPATHOLOGIC CONFERENCE (CPC) GUIDELINES

- Abstract submission for e-poster and CPC presentation are required to use the provided template.
- Fill out the form and submit your abstract file as pdf or word document.
- Submitted abstract file is required to be renamed with format:

E-Poster

- **For case report: abstract2022_EP_CR_(last name) (first name)_abstract title**

Example: abstract2022_EP_CR_Doe John_New Muscular Dystrophy

- **For research: abstract2022_EP_OS_(last name) (first name)_abstract title**

Example: abstract2022_EP_OS_Doe John_New Muscular Dystrophy

Clinicopathologic conference (CPC)

- **Abstract2022_CPC_(last name) (first name)_abstract title**

Example: abstract2022_CPC_Doe John_New Muscular Dystrophy

- The abstract is required to be written according to following guideline:

Font	Times New Roman
Line and paragraph spacing	1 space
Title Font size	Capital letters with 14 pt font size and no more than 20 words
Abstract Font size	10 pt
Paper	A4
Maximum words	300
Language	English
Keywords	3-5 words

AOMC 2022 ABSTRACT SUBMISSION GUIDELINE

ABSTRACT SUBMISSION FOR THE POSTER AND CLINICOPATHOLOGIC CONFERENCE (CPC) GUIDELINES

- Please avoid using too many different types of fonts, indents, and line spacing as well as using bulleting & numbering.
- If there is more than one author, write the first author's name at the first with using the underline.
- The abstract contains the research results. It is NOT allowed to write sentences indicating that the research or case reports are still on going, such as: “in progress” or “discussed later”.
- Abstract document size is no more than 500kb
- After abstract has successfully submitted, the notification of acceptance will be sent through Author's e-mail within **2 weeks**.

E-POSTER PRESENTATION

- E-Poster was in form of powerpoint, with size of 5-7 slides.
- For Case report, must consist of Introduction, Case presentation, Discussion and conclusion.
- For Original Article, must consist of Introduction, methods, results and discussion

CPC PRESENTATION

- The duration of presentation is approximately 5-7 minutes.
- The presenter of selected cases should send PPT file containing:
 - Clinical information. If any, clinical photo and/or video are provided without identifiable personal identity.
 - Laboratory and additional examination (if available).
 - Muscle imaging (if available; as screenshots without identifiable personal identity)
 - Working diagnosis and differential diagnosis
 - Representative muscle pathology images (as screenshots with scale). During presentation, presenter can show muscle pathology findings live from microscope if possible.
