

Note:

- Indonesian participants can submit abstracts for AOMC 2022 and/or PIN Perdossi 2022. Please refer to separated guidelines.
- Overseas participants can submit abstracts for AOMC 2022.

AOMC 2022 ABSTRACT SUBMISSION GUIDELINE

ABSTRACT IMPORTANT DATE

Abstract submission will open on **February 15th 2022** until **March 27th 2022**

The notice of acceptance and further information will be sent to the corresponding author via email.

ABSTRACT TOPICS

Generally, abstract will be divided into:

1. **E-poster**, categorized into case reports and research.
2. **Clinicopathological conference (CPC)**. Selected cases are presented and discussed with a panel of experts in muscle disease, muscle pathology, and genetic. Presenters will provide clinical information, muscle imaging (if available), key features of muscle pathology, and genetic result (if available) as PPT presentation. The panels will give further comments.

The topics include:

- Muscular dystrophy
- Congenital myopathy
- Metabolic myopathy
- Myofibrillar myopathy
- Acquired myopathy
