WELCOMING REMARK

Assalamu'alaikum Wr. Wb.

Dear colleagues,

The Perdossi 2020 National Scientific Meeting (PIN) in Banjarmasin is part of the official Perdossi scientific agenda.

This year, the event will be organized by the Perdossi Banjarmasin Chapter. In the management of PP PERDOSSI 2019-2024, the PIN will be held every two years with the aim for maintaining and increasing the knowledge and competence of medical doctors, especially neurologists. There will be nine study groups involved in this event: Stroke and cerebrovascular, Neurointervention, Neurointensive, Neurogeriatric, Neurobehavior, Neurorestoration, Neuroinfection, Movement Disorder and Neuroimaging to provide a broad opportunity for all colleagues to get more scientific value. On behalf of the President of PERDOSSI, we invite all neurologist colleagues to attend the PIN PERDOSSI 2020 in Banjarmasin.

We expect our colleagues to discuss and share experiences to aim the vision of this event: The Neurology Advances for a Better Human Being.

WELCOMING REMARK

Assalamu'alaikum Wr. Wb.

Dear colleagues,

The Perdossi Banjarmasin 2020 National Scientific Meeting (PIN) is an ongoing scientific gathering which is the official calendar of Perdossi. Slightly different from the previous PIN implementation, Banjarmasin Perdossi PIN involved nine study groups namely: Stroke and Stroke and cerebrovascular, Neurointervention, Neurointensive, Neurogeriatric, Neurobehaviour, Neurorestoration, Neuroinfection, Movement Disorder and Neuroimaging. We hope that the number of study groups involved will provide more opportunities for colleagues to be able to improve our knowledge and competence in the 4 days of PIN in Banjarmasin, South Borneo.

In line with the vision of the Ministry of Health of the Republic of Indonesia, The Banjarmasin Perdossi 2020 PIN carries the main theme of Neurology Advances for a Better Human Being meaning that all the progress we develop and achieve in the field of Neurology is aimed at improving the quality of life of the Indonesian people. The nine Study Groups involved will certainly present a lot of interesting symposium material and workshops that all colleagues can follow in accordance with our respective interests.

We also don't forget that the committee wanted the Banjarmasin 2020 Perdossi PIN event to be a gathering and sharing experience for neurologist in Indonesia while enjoying the diversity of nature, customs, culture and culinary typical of South Borneo. As the Banjarmasin City gate reads "Kami Himung Mun Pian Come Together", we are proud and happy when you all come to Banjarmasin.

See you in the City of Thousand Rivers Banjarmasin, 5-8 November 2020.

Chairman of PIN Perdossi Banjarmasin 2020
